CNHC is supporting the 2024 IPM Congress

CNHC is once again pleased to support the [Integrative and Personalised Medicine](#) (IPM) Congress which is taking place on 6 to 8 June 2024 at the Queen Elizabeth II Conference Centre in London.

The congress will incorporate an international exhibition and three co-located conferences:

- Whole Person Health
- Integrative Mental Health
- Food on Prescription

The IPM Congress are offering discounted booking fees for the conference to CNHC registrants, and we will send the discount code to registrants in the new year. We will also be holding another workshop, which proved very successful at the 2023 Congress. Again, details of this will be available in the new year.

Complying with the CAP Code

CNHC has detailed guidance for registrants to help them comply with the Committee of Advertising Practice (CAP) code. All those involved in advertising in any way are required to be aware of the requirements of CAP.

If you are a registrant, please read our [Advertising Guidance for Registrants](#) in full and use it as a resource to check the content of your website and other forms of marketing. We recommend that all CNHC registrants use the wording for their discipline that we have agreed with CAP. The discipline descriptors can be found [here](#).

We have produced specific guidance about [advertising in relation to the Cancer Act 1939](#) which registrants should also read carefully.
